1. How to register as PIONAIR for the 119th IATP conference at Athens, Greece

Please work along the following instructions step by step:

A.) Open the IATP homepage: www.iatp.com

You will see this:

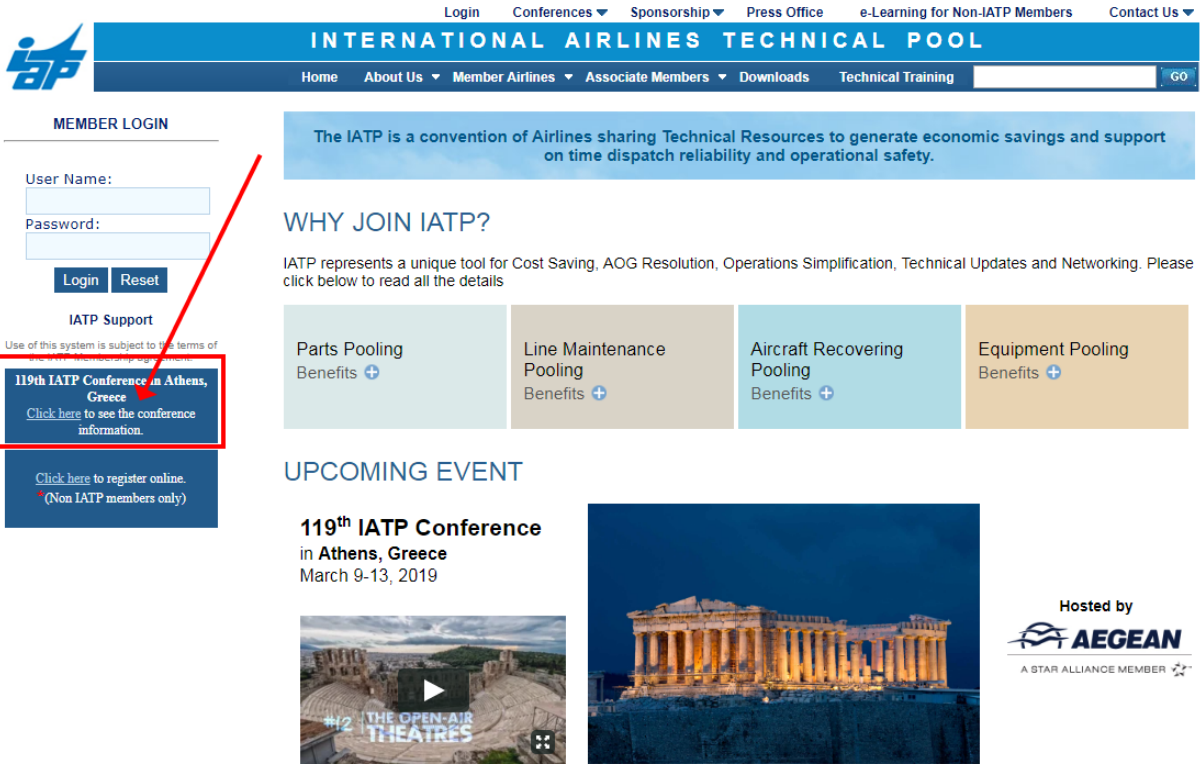

The screenshot shows the IATP website homepage. At the top is a navigation bar with links for Login, Conferences, Sponsorship, Press Office, e-Learning for Non-IATP Members, and Contact Us. Below this is a blue header with the IATP logo and the text "INTERNATIONAL AIRLINES TECHNICAL POOL". A secondary navigation bar includes Home, About Us, Member Airlines, Associate Members, Downloads, and Technical Training, along with a search box and a "GO" button.

On the left side, there is a "MEMBER LOGIN" section with input fields for "User Name:" and "Password:", and "Login" and "Reset" buttons. Below this is an "IATP Support" section with a disclaimer and two buttons: "119th IATP Conference in Athens, Greece" (with a link to see conference information) and "Click here to register online. (Non IATP members only)".

The main content area features a blue banner stating: "The IATP is a convention of Airlines sharing Technical Resources to generate economic savings and support on time dispatch reliability and operational safety." Below this is a "WHY JOIN IATP?" section with a sub-header and a paragraph explaining that IATP is a unique tool for cost saving, AOG resolution, operations simplification, technical updates, and networking. It lists four categories of pooling benefits: "Parts Pooling Benefits", "Line Maintenance Pooling Benefits", "Aircraft Recovering Pooling Benefits", and "Equipment Pooling Benefits", each with a plus sign icon.

Below the pooling benefits is an "UPCOMING EVENT" section for the "119th IATP Conference in Athens, Greece" (March 9-13, 2019). It includes a video thumbnail titled "#1/2 THE OPEN-AIR THEATRES" and a photograph of the Parthenon in Athens at night. To the right of the Parthenon image is the text "Hosted by" above the "AEGEAN" logo, which also includes the text "A STAR ALLIANCE MEMBER".

First, you click here to see the conference information:
